A public hearing will be held at 8:00p.m. on August 28, 1985 at the Wright City Fire House, at which citizens may be heard on the property tax rates proposed to be set by the Wright City Fire Protection District, a political subdivision. The tax rates shall be set to produce the revenues which the budget for the fiscal year beginning January 1, 1985, shows to be required from the property tax. Each tax rate is determined by dividing the amount of revenue required by the current assessed valuation.
